## tions of the second state of the second state

Vantaa's Queer Space offers a safer space for **16-29 year olds** gender non conforming or those that belong to the LGBTQIA umbrella, or those still working with their identities. We observe safer spaces guidelines and you are welcome to join us just as you are!

The group meets **on Thursdays** (5.9-12.12) **at 16-19** in Tikkurila **Ratatie 2** 'Etsivien talo'. The space is unfortunately not accessible.
