Vantaa Girls' Space is a relaxed meeting place in Tikkurila for girls and young women aged 10-28, with gender diversity and respect for self-determination. Everyone is welcome to join in just as they are.

At Tyttöjen Tila's group activities you can come and spend time, meet new people and take part in a variety of guided activities. Girls' Space also has a sexual therapist and a sexual counsellor, who you can see by appointment if you have questions or thoughts about your sexuality.

If you wish, you can also book an introduction to find out more about what we do.
